Instructions For Club & Team Managers

If you have a club, click "Manage Club", otherwise click "Create a Club" to create one.

If you are adding **new members** to your club, select how many you are adding and then click "Add Members". If you are adding **Members who have already shot on Net Competitor or National Rifle League before**, click "Add Existing Members".

If you selected "Add Members", enter them on this form, each with their own unique email address. They will receive a confirmation email containing a link they need to click to confirm their consent.

If you selected "Add Existing Members", enter their name or part of their name and click "Find Member", then click the "Add" button next to their name.
